

There are 7 person in the activity

free time survey

QUESTIONS

- What is the most popular activity in the free time table?
Use the internet and watching films.
- What is the not most popular activity?
Collect thing.
- What is your favorite activity?
My favorite activity is using the internet because I always using.
- What is the second most popular activity?
Learning a language and playing chess.

RESULTS

In my free time table I am very surprised because in play chess and in collect things are not very popular and are very fun and very beautiful activities.

I don't like most play chess but I love play football, use the internet and watch films.
