

CHOCOLATE CAKE

Introduction:

Hello my name is EDER and in this **recipe I'm** going to demonstrate how to make a chocolate cake.

Ingredients:

- 3 eggs
- a glass of sugar
- yogur of lemon
- yeast
- milk

prep time

18 minutes

cooking time

- 45 minutes

instructions

We take a bowl and we put the 3 eggs, then we put yeast, later the glass of sugar, we put a lemon yogurt and finally the milk.

We stir the ingredients.

We take the chocolate and we mix it with the blender.

The oven has to be at 180°C.

And we bake for 45 minutes.

Serving suggestion

This cake is the best. I recommend it to you.
